Job Placement Rates and Salary and Wage Information

Because of the change of the Bureau’s reporting regulations, which became effective on July 14, 2016, this institution was not required to collect the data for its 2015 and prior graduates.

With the new regulations for job placement and salary/wage data, the Bureau will expect the school’s reporting period for December 1, 2019 to comply fully for its 2018 and 2017 reporting years.

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. Students may obtain the list of employment positions from the Admissions Department or Career Services Department.

Student’s Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

Cost of Educational Program

Total Charges for the Program for students completing on-time in 2015 is \$16,545. Additional charges may be incurred if the program is not completed on time.

Student’s Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

Cohort Default Rate & Federal Loans at American College of Healthcare

Most recent three year cohort default rate, as reported by the United States Department of Education. 1	The percentage of enrolled students in 2015 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2015 graduates who took out federal student loans at this institution.	The percentage of graduates in 2015 with federal student loans as calculated by the institution
16.0	90%	\$10,145.	90%

1 The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school’s students who were more than 270 days (9months) behind on their federal student loans within three years of when the first payment is due. This is the most recent CDR reported to the U.S. Department of Education.

Student’s Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

American College of Healthcare Cancellation Policy

You have the right to cancel your enrollment agreement for a program of instruction, and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, without any penalty or obligation, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance.

- Cancellation may occur when the student provides written notice of cancellation at the following address: 11801 Pierce Street, Riverside, CA 92505 if enrolled at the Riverside Main Campus or 6606 Pacific Blvd., Suite 205, Huntington Park, CA 90255 if enrolled at the Non-Main Campus. This can be done by mail or hand delivery.

- The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
- The written notice of cancellation need not take any particular form and, however expressed, it is effective if it show that the student no longer wishes to be bound by the Enrollment Agreement.
- If the enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration fee not to exceed \$100.00, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received.

Student's Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

Definitions

- “Number of Students Who Began the Program” means the number of students who began the program who were scheduled to complete the program within the published program length within the reported calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the calendar reporting year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for graduation.
- “Graduates Unavailable for Employment” means the graduate who after graduation, die, become incarcerated, are called to active duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully

employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six month period begins after the announcement of the examination results for the first examination available after a student completes an applicable education program.

- “Placement Rate Employed in Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Rate” is the date the first exam after a student completed the program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported exam.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
