Because of the change of the Bureau's reporting regulations, which became effective on July 14, 2016, this institution was not required to collect the data for its 2015 and prior graduates.

With the new regulations for job placement and salary/wage data, the Bureau will expect the school's reporting period for December 1, 2019 to comply fully for its 2018 and 2017 reporting years.

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. This list may be requested to the Career Services Department.
